

ADVANCE DIRECTIVES NOTICE

I understand that this facility does not honor my Advanced Directives and waive my rights, while under the effects of anesthesia/conscious sedation at Alaska Cardiovascular Surgery Center and Alaska Heart and Vascular Institute – Cath Lab. I may provide a copy of my healthcare directives to keep in my chart.

In the event my condition requires a transfer to a hospital, I understand the facility will make every effect to ensure my Advanced Directive is sent with me.

OVERVIEW AND DISCLOSURE NOTICE

Alaska Heart Institute, LLC doctors own and operate the Cath Lab and Alaska Cardiovascular Surgery Center. It is required by Alaska State Law that we notify you there are alternative facilities available to you for your cardiac care.

Providence Hospital	AK Regional Hospital
3200 Providence Dr.	2801 Debarr rd.
Anchorage, AK 99508	Anchorage, AK 99508
907-261-3049	907-276-1131

Our facility is Medicare approved and regulated. It is also regularly inspected by the Alaska State Department of Health and Social Services. In addition, the Alaska Cardiovascular Surgery Center is certified by the Accreditation Association for Ambulatory Health Care, Inc. Our staff and providers are all BLS/ACLS certified.

Our facility clinical team consists of registered nurses, radiology technologists and registered cardiovascular and electrophysiology invasive specialists. Our physicians are Board Certified in their specialty.

FINANCIAL DISCLOSURES NOTICE

Alaska Heart and Vascular Institute personnel will complete the necessary insurance claim forms and submit them to your **primary & secondary** insurance carriers. If your insurance carrier is not responding to our claim, it is your responsibility to inquire into the status of your claim with your carrier. *This does not apply to Medicare & Medicaid recipients.

Medicare & Medicaid Coverage: We accepts assignment for all Medicare and Medicaid patients. We will accept the amount that Medicare approves on covered services. If you do not have supplemental insurance, we are required by law to bill you directly for the 20% not covered by Medicare.

The Alaska Cardiovascular Surgery Center facility fee **does not** include the professional service charges of the surgeon, anesthesiologist, radiologist, or outside ancillary services.

If you have any questions regarding your billing, please call 907-561-3211. Upon request, estimated charges of your care will be made available.
