

This notice is posted in accordance with AS 18.23.400 disclosure and reporting of health care services, and fee information.

Alaska Heart Institute doing business as Alaska Cardiovascular Surgery Center charges the undiscounted fees for the listed health care services provided in this document.

You will be provided with an estimate of the anticipated charges for your non-emergency care upon request. Please do not hesitate to ask for information.

Please note, a health care provider that provides a "good faith estimate" to a patient under (g) and (h) of Section 18.23.400 Disclosure and reporting of health care services, price, and fee information is not liable for damages or other relief if the estimate differs from the amount charged to the patient.

The undiscounted prices listed in this document may be higher or lower than the amount an individual pays for the health care services described.

Surgery		
<b>Procedures listed below have additional charges applied when a service is performed at the surgery center. Please ask for a written estimate prior to your procedure</b>
